Experience

Intern

Amazon Web Services(AWS) 12/2022 - 02/2023

AI-ML Virtual Internship at AWS academy AMAZON.

- The AWS Academy AI-ML Virtual Internship was an enriching experience that provided me with hands-on exposure to cutting-edge AI and machine learning technologies on the AWS cloud platform. Through self-paced learning, practical labs, and real-world projects, I gained valuable skills in Amazon SageMaker, Rekognition, Lex, and other AWS AI services.

Palo Alto 04/2023 - 06/2023

Cyber Security Virtual Internship at Palo Alto.

- Through this internship, I gained hands-on experience with real-world security tools, learned about threat detection, network security, and cloud security, and developed practical skills that are essential in today's digital landscape. The virtual format allowed me to collaborate with professionals and peers, enhancing my problem-solving and technical abilities.
